## Design Options Evaluation

08.24.2011

Please review the two proposed options:

2-WAY CYCLE TRACK +  
WIDER GREEN BUFFER ON SOUTH SIDE

PROTECTED BIKE LANES +  
GREEN BUFFERS ON BOTH SIDES

.....

A. What elements of these two options do you like and/or dislike?

2-WAY CYCLE TRACK

PROTECTED BIKE LANES

.....

B. Which option best fits the community vision and why?

1. A CONNECTOR, NOT A DIVIDER OF NEIGHBORHOODS AND COMMUNITIES
2. A VITAL PART OF A THRIVING INDUSTRIAL ZONE
3. SAFE AND CONVENIENT FOR ALL MODES OF TRAVEL.
4. MORE GREEN, LESS GRAY.
5. A PLACE TO BE IN (NOT JUST GO THROUGH).
