Discussion on Land Use Opportunities In the Sunset District

Did you know there are potential opportunities for additional housing in the Sunset District, particularly along our transit corridors? Join our office along with the Planning Department for a community discussion on land use opportunities in the Sunset District. Learn about underutilized sites in District 4 and give your feedback on long-term planning strategies.

Wednesday

5

March

Sunset Recreation Center

2201 Lawton Street @ 28th Avenue

6:30pm
