

# OCEAN AVE

## CORRIDOR DESIGN

MANOR DRIVE TO SAN JOSE AVENUE

The City of San Francisco in coordination with the Ocean Avenue Association invite you to two upcoming events for the **OCEAN AVENUE CORRIDOR DESIGN PROJECT**

We want to hear your ideas on how to beautify the Ocean Avenue Commercial Corridor and improve your experience along Ocean Avenue.

At the site walk there will be an opportunity to share observations and ideas with city staff and community members.

At the workshop there will be a brief presentation followed by an opportunity to provide feedback on priorities for short-term and long-term improvements.

In 2011, San Francisco voters passed the Road Repaving and Streets Safety Bond. Funds from this bond have been allocated toward the design and construction of Ocean Avenue from Manor Dr. to Phelan Ave.

We want to hear from you! Please join us!
